# Overview

This document contains all the release notes that apply to the *TestOut Linux Pro – English 5.x.x* course.

The release notes are arranged chronologically (with the most recent release notes shown first) and coincide with each version release of the course.

Each section details the enhancements, fixes, and changes that were made with that release. Each section item includes a summary of the changes made and a change type.

Change types are defined as follows:

Type	Description
* <b>NEW</b>	Entirely new feature, information, or content has been added.
↻ <b>CHANGE</b>	Significant change in information, behavior, or content.
✓ <b>FIX</b>	Minor edit to clarify information, remove ambiguity, or fix error.
