# Overview

This document contains each release that has been deployed under the TestOut Office Pro–English 7.0.x version. Releases are arranged chronologically, with the latest release first.

Each section details the enhancements, fixes, and changes made in a particular release. Items include a summary of each change, including its type. The change types are defined in the following table:

Type	Description
* <b>NEW</b>	Entirely new feature, information, or content has been added.
↻ <b>CHANGE</b>	Significant change in information, behavior, or content.
✓ <b>FIX</b>	Minor edit to clarify information, remove ambiguity, or fix errors.
