TestOut

TestOut Pro Certified: Microsoft Excel® English 1.0.6

RELEASE NOTES

Contents

Overview

This document contains each release that has been deployed under the TestOut Pro Certified: Microsoft Excel®– English 1.0.x version. Releases are arranged chronologically, with the latest release first.

Each section details the enhancements, fixes, and changes made in a particular release. Items include a summary of each change, including its type. The change types are defined in the following table:

Type	Description
✳ NEW	Entirely new feature, information, or content has been added.
↺ CHANGE	Significant change in information, behavior, or content.
✓ FIX	Minor edit to clarify information, remove ambiguity, or fix errors.
